**QUALITY SELECTION AWARDS FROM HOLIDAYCHECK.COM**

Bangkok, July 2013 – The Unique Collection of Hotels and Resorts is proud to announce that three of its properties have been presented with Quality Selection Awards by HolidayCheck.com, Europe’s leading hotel review portal which is used by over 23 million internet users per month. The resorts which received the honor are Cham’s House, recently opened in 2012 and located on Koh Kood which is one of Thailand’s most pristine island destinations; the NishaVille Resort and Spa set on the beachfront in Prachuab Khiri Khan with European style 2 and 3-Bedroom Villas; and the Paradise Beach Resort, Koh Samui, with rooms, suites, and bungalows situated in a lush tropical setting on Maenam Beach.

The HolidayCheck Award is given to the 99 most popular hotels worldwide, based on a three criteria including the number of reviews, the recommendation rating, and the number of “suns” awarded to the resort in several categories. The winners are selected from over 780,000 reviews received in 2012 with an overall rating of 5 or higher out of 6.
